**Re: Bixby Debris Removal Program**

Tulsa County and City of Bixby officials have announced the completion of the December 10<sup>th</sup>, 2007, ice storm debris removal program for the City of Bixby.

The debris disposal site is now officially closed. No additional loads will be accepted.

Residents will need to arrange transport for any May/June storm debris to an alternate site of their choosing.

The Quarry Landfill site in Tulsa can be contacted at 439-7835 for information regarding location, hours of operation, load requirements and fees.
